

## Bird flu – dead birds

Bird (avian) flu is affecting birds around Scotland.

- Do not touch or pick up any sick or dead birds
- Keep dogs on a lead and away from sick or dead birds
- Do not touch wild bird feathers or surfaces contaminated with wild bird droppings

Please report dead wild waterfowl (swans, geese, or ducks) gulls, birds of prey, or other wild birds to Defra on [www.gov.uk/guidance/report-dead-wild-birds](http://www.gov.uk/guidance/report-dead-wild-birds)
